

## **MET COMMITTEE COVID-19 SAFETY GUIDELINES FOR GROUP ACTIVITIES**

**The MET will strive to be fact-based rather than fear-based while also considering that there are still a lot of unknowns about transmission of the COVID-19 virus.**

*These Guidelines are subject to change subject to amendments made to State and Federal guidelines.*

### **Reporting**

- Reporting periods begin the day following a regularly scheduled Board meeting and end on the day of the next regularly scheduled Board meeting.
- Committee Chairs will submit activity plans for the following reporting period at each regularly scheduled Board meeting, for Board approval.
- Committee Chairs will keep written records of all activity dates, participants, and activities performed, and submit a report to the Board at each regularly scheduled Board meeting.
- Permission to move ahead or provide reports is not required on a daily basis when performing pre-approved activities.

### **Meetings To Be Held Indoors**

- Meetings to be conducted via a web format

### **Meetings To Be Held Outdoor**

Should it be necessary for Logistics & Maintenance and/or Environmental Monitoring Committees to meet out of doors to engage in fire prevention activities (which activities are among those that have been declared essential activities exempt from the Governor's Stay At Home Order), the following safety precautions must be observed:

- Social Distancing of 6 feet or greater will be maintained
- Number of Participants will be limited to 4
- Masks will be worn
