QUESTIONS FOR COMMUNITY DEFENSE TEAM MEMBERS

Community Defense Team members are committed to defending their homes and assisting others in the event of a major fire. Commitments will include training time, drills, and potential investments in personal protective gear and equipment. Participation in formal planning meetings is recommended but optional.

Your Commitment:

- I plan to evacuate, but am willing to help others evacuate or prepare if time allows
- I want to stay and defend my home only
- I plan to stay and am interested in being a block captain (assist in evacuations and defending homes on my block)
- I am interested in being on a mobile response force if we have one

Training and Equipment: I can commit the following amount of training:

- 8 hours 12 hours 16 hours 24 or more hours
- Monthly drills/refreshers quarterly drills/refreshers
- spring/fall drills/refreshers; annual drills/refreshers

Personal Protective Gear: Check the items that you believe you may need financial assistance to acquire. Minimum personal equipment standards for home defense members will include the following. Standardization of some items will be required to ensure team members are easily identifiable to outside fire agencies and other emergency personnel. Boots will necessarily be a personal purchase:

- boots gloves goggles standardized fire resistant clothing
- hardhat w/ neck/face shield wildland face mask.

Water pumps:

The plan is to develop as water sources (minimum 1,000 gallons tanks) around the community, with enough water pumps and hose to cover every block. The preferred model pump costs \$1,600.

- I am interested in buying my own pump (preferred model)
- I would be interested in paying ½ cost of pump, with agreement pump will be available for community use
- I would be interested in sharing the cost of a pump with select neighbors
- I already have/will buy my own pump

Hose and Fittings:

- I will need hose and fittings to cover my property and immediate neighbors
- I have enough hose and fittings to cover:
 - my own property
 - my home and neighboring houses.
 - More - state amounts _____
